Greetings Brethren

I am excited to welcome each of you to the realigned Hamilton South District. Hopefully you are all ready to work together to make new ties and develop new friendships. This will most certainly be a year of new experiences all around.

It is an honour and privilege to serve as the first DDGM of Hamilton South, and I thank you for my preferment. I am proud to be M.W. Bro. Jamie R. Ireland's representative in this District. The Grand Master wants his DDGM's to continue to focus on REM ei. Ritual, Education and Mentorship. Ritual by improving our delivery and accuracy. Education by offering the members a variety of enlightening presentations. Mentorship by enrichment of the new members' experience and encouraging the progression of all our members.

To the members of Landmarks Temple No. 324 thank you for your past support in choosing me to be a candidate for this high office. To the members of our District team thank you for choosing to serve your District. The team has been selected from skilled members from across the district. Each of them will need support from the District in general to complete their duties.

My theme this year is raising awareness and my hope is that we can work on that together. We can start by choosing to run Open House events in each Temple across the District. We can talk to our friends and family about what we are about and what we do at lodge. We can make sure our new members are well informed about their options for progression and advancement in the craft and support them in their decisions. I look forward to seeing all of you in Lodge.

Sincerely & Fraternaly, R.W. Bro. Cory McCarthy, DDGM Hamilton South District

DDGM's Charity

Navy League of Canada Hamilton Branch and Navy League Cadet Corp Cougar

The Navy League Cadet program welcomes youth between the ages of 9 and 12 for fun, naval-themed activities. This program is independently operated by the Navy League of Canada, with the help of hundreds of dedicated volunteers across the nation. There are more than 3,000 Navy League Cadets active in over 100 communities across Canada.

The **Navy League Cadet** program aims to help young Canadians learn life skills including citizenship, teamwork and self-discipline. Our programming is designed to help cadets become more aware of the world around them, become self-sufficient and

confident in their own skills. Throughout their training, Navy League Cadets learn what good leadership looks like, how to work together, and how to overcome challenges. Youth leave the program with a genuine interest in their community's well-being and equipped with skills to become active citizens.

The program in Hamilton at NLCC cougar is FREE to join. To help make the program accessible to all, the cadets and their parents are required to participate in fundraising activities, typically in the form of tagging. Cadet uniforms are provided by The Navy League Branch, along with the facility they use and all the supplies needed. Cadets are required to maintain their uniforms and return them when they leave the program. Cadets are expected to have regular attendance, even if that regular is every other week due to family arrangements.
